PRESS RELEASE

FOR IMMEDIATE RELEASE

PhyleTec L.L.C. Invited to Exhibit at Converting Influence Expo

Holly, MI - December 28, 2007: PhyleTec L.L.C. is an On-Demand Enterprise Software system for all types of distributors and manufacturers, is pleased to announce that Universal Data Inc. and PhyleTec L.L.C. are the 1st, out of state companies to be invited to exhibit at this local Wisconsin event. The exhibitors include not only paper converters (manufacturers who cut and make paper into various products) but also manufacturers of related machinery.

Converting Influence is a Wisconsin based organization to promote supply chain resources to the paper industry. To register to attend or learn more about Converting Influence please visit <http://www.convertinginfluence.com>.

Background: PhyleTec L.L.C. is born out of the Phyle family of companies. The Phyles have been helping companies maintain accurate inventories for over 30 years. PhyleTec.com is a system that provides internal operational and supply chain functionality required by distributors and light manufacturers. Universal Data, Inc. (another Phyle family company) manufactures and sells wireless and batch-mode handheld data collection devices with integrated bar-code scanners.

To learn more about PhyleTec L.L.C. and Universal Data Inc., call Dana Demski; Account Executive at (248) 634-4000 ext. 260 or email ddemski@phyletec.com.
