# PRESS RELEASE

FOR IMMEDIATE RELEASE

*The PhyleTec team continues to expand with the addition of Dana Demski.*

**Holly, MI - May 10, 2007:** PhyleTec L.L.C. announces that it has strengthened its team with the addition of Dana Demski to Account Executive. Dana will be responsible for nurturing existing clients and generating new members to join our PhyleTec – On Demand Software User Community.

Dana's background includes: 20 years experience in working with automotive suppliers and distribution corporations to improve their competitiveness and profits, via integrating technology with solid business processes. Dana has also served as the sales and marketing director at two technology companies, held responsibility for the P&L, and spent four years as a successful entrepreneur. Dana believes in the power of being a proactive organization vs. a reactive one, and can assist you in achieving this important goal.

Background: PhyleTec L.L.C. is born out of the Phyle family of companies. The Phyles have been helping companies maintain accurate inventories for over 30 years. PhyleTec.com is a system that provides internal operational and supply chain functionality required by distributors and light manufacturers. Universal Data, Inc. (another Phyle family company) manufactures and sells wireless and batch-mode handheld data collection devices with integrated bar-code scanners.

To learn more about PhyleTec L.L.C. and Universal Data Inc., call Dana Demski; Account Executive at (248) 634-4000 ext. 260 or email [ddemski@phyletec.com](mailto:ddemski@phyletec.com).
